

National Rural Fire Authority

No: 2016/37

NRFA Standard for Use of Aircraft at Wildfires

Interim Certificate of Compliance for Aircraft Operator

This is to certify that Mt Hutt Helicopters was found on application to be in Interim Compliance with the requirements of the published NRFA Standard for Use of Aircraft at Wildfires as applicable to an Aircraft Operator.

The Certificate is valid for the period up until which time the Aircraft Operator in relation to provision of wildfire services and conduct of wildfire operations have been formally audited by the National Rural Fire Authority as per the NRFA scheduled program of audits.

This interim certificate remains valid until audit or for 36 months from 30 September 2016, whichever is the sooner.

The Interim certificate is issued at the approval of the National Rural Fire Officer

Date on which Interim Certificate is issued: 30 September 2016	
NRFO	Kevin O'Connor 
Limitations to this certificate: Nil	
The interim Certificate is issued by the National Rural Fire Officer upon acceptance of the applicants Company Director/ CEO declaration of compliance with the requirements of the Standard for Use at Wildfires and verification from Rural Fire Authorities that the Operator is experienced in aerial firefighting.	
Note: A copy of the current standard, <i>NRFA Standard for Use of Aircraft at Wildfires</i> can be downloaded at www.nrfa.org.nz
